INTERVIEW PREPARATION

- Check out the company **LinkedIn** page and look up your interviewers.
- Review the job description and make notes on your transferable experience
- If you are interviewing remotely, **test that Zoom works** on your device, in advance:
 - Test that your camera, sound and microphone work.
- Prepare some questions in advance (3–5) for your interviewer(s).
- Think about WHY the company interests you and WHAT it is that they do for their customers.
- Do you know anyone working at the company? Ask for advice.
- Always tailor your CV/Cover letter to make it most relevant to the role you're applying to.

DURING THE INTERVIEW

Have your notes & questions to hand (but avoid reading from these)

Active listening

Wait a moment after they have spoken to avoid interruptions

Repeat or re-cap to demonstrate that you've listened

Confirm your interest at the end and ask about next steps

BEST OF LUCK!
